curATime
Cluster für Atherothrombose und individualisierte Medizin

1st curATime BarCamp

3 December 2026

What is BarCamp:

It's a participant-driven event where you exchange knowledge, methods and experiences from your everyday research with other researchers.

Motto: Come with a question, leave with ideas/solutions!

Why participate?

- Share knowledge and skills & learn practical solutions and insights: e.g., on research techniques, scientific writing, acquiring first funding, presentation skills and much more - it's up to you!
- Connect with people outside your lab and strengthen you network

For: Life sciences researchers of all career stages + technicians

Date + Time + Location: 03.12.2026, 9-17h, Universitätsmedizin Mainz; Catering included. Free registration.

Free registration is now open - follow the QR code or this LINK

With funding from the:
CLUSTERS 4 FUTURE Next generation innovation networks
Federal Ministry of Research, Technology and Space
