

3 JULY 2025 / CASINO FESTSAAL

# INVITATION TO THE 7TH RMU DAY

CAMPUS WESTEND, GOETHE UNIVERSITY FRANKFURT

## KNOWLEDGE FOR THE WORLD OF TOMORROW

The Presidents of the Rhine-Main Universities (RMU) cordially invite you to the 7th Rhine-Main Universities Day, followed by a summer party, on Campus Westend of Goethe University Frankfurt.

This year's motto is "RMU – Knowledge for the World of Tomorrow". As we are celebrating the 10th anniversary of our alliance, we want to embark on a joint, cross-generational discussion with you on the role of the RMU for the living environment and research of the future. How can the RMU, based on what we have achieved over the past 10 years and what we want for the future, shape the world of tomorrow?

In the morning, we will hold several thematic BarCamps, open workshop formats without a fixed agenda, where the participants provide the content. After the lunch break, the results from the BarCamps will be presented, followed by a panel discussion with the Presidents and representatives of the future Clusters of Excellence. Against the background of the planned joint proposal as a University Excellence Consortium in the Universities of Excellence funding line, the topic will be "Research for the World of Tomorrow". Our host will be Julia Nestlen (SWR Science Talk).

From 3:00 pm, we want to celebrate our anniversary at the summer party and invite you to participate in an Olympics-style event on projects from the RMU alliance

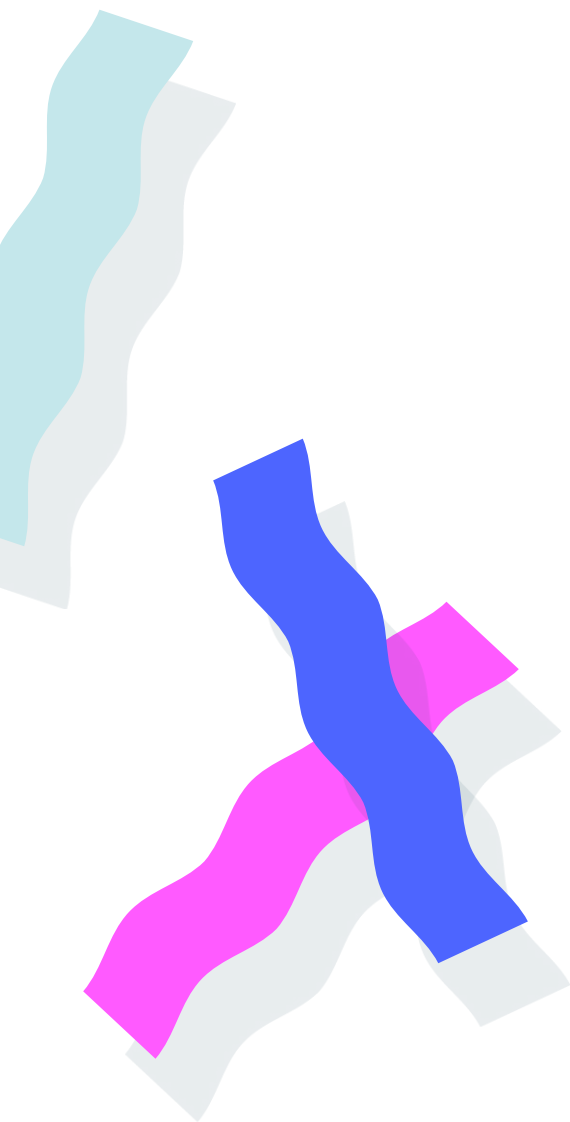

Register now for the 7th RMU Day:

[www.rhein-main-universitaeten.de/tag-der-rmu-2025](http://www.rhein-main-universitaeten.de/tag-der-rmu-2025)

Registration  
now open until  
26 June!
