Dear RMU members and friends,

We are delighted to invite you to join us for the 7th RMU Day and the subsequent summer party on 3 July 2025 at Campus Westend of Goethe University Frankfurt.

This years' motto for the RMU Day is "RMU – Knowledge for the World of Tomorrow". As we are celebrating the 10th anniversary of our alliance, we want to embark on a joint, cross-generational discussion with you on the role of the RMU for the living environment and research of the future. How can the RMU, based on what we have achieved over the past 10 years and what we envision for the future, shape the world of tomorrow?

Directly after the RMU Day, we also want to celebrate our anniversary together with you and look forward to seeing many of you there as well.

You will receive the invitation and any additional information in due time prior to the event.

With kind regards from Frankfurt, Mainz and Darmstadt
